# WELCOME TO OUR APPAREL COLLECTION

## About Us

We work with many of the leading brands to offer you a full range of clothing, perfect for your business, club or event. From T-Shirts to outerwear, workwear to fashion there is something for everyone in this carefully selected range of best-sellers.

### **SUSTAINABLE**

New for 2024 you will see more styles than ever using Better Cotton, to give a more environmentally sustainable option. Brands using certified Better Cotton reduce water and energy consumption whilst promoting more sustainable farming and production practices.

Recycled polyester and organic cotton are now also found on more styles than ever before.

### **ETHICAL**

We work only with the leading brands, so you can be assured that the clothing is produced to the highest ethical standards. Most items are independently certified by organisations such as WRAP, Amfori or Sedex and you will see the relevant certification alongside each product description.

**We change,  
on the inside**

For the collection 2024 Atlantis introduces for the first time the **ReTraze® visors**.

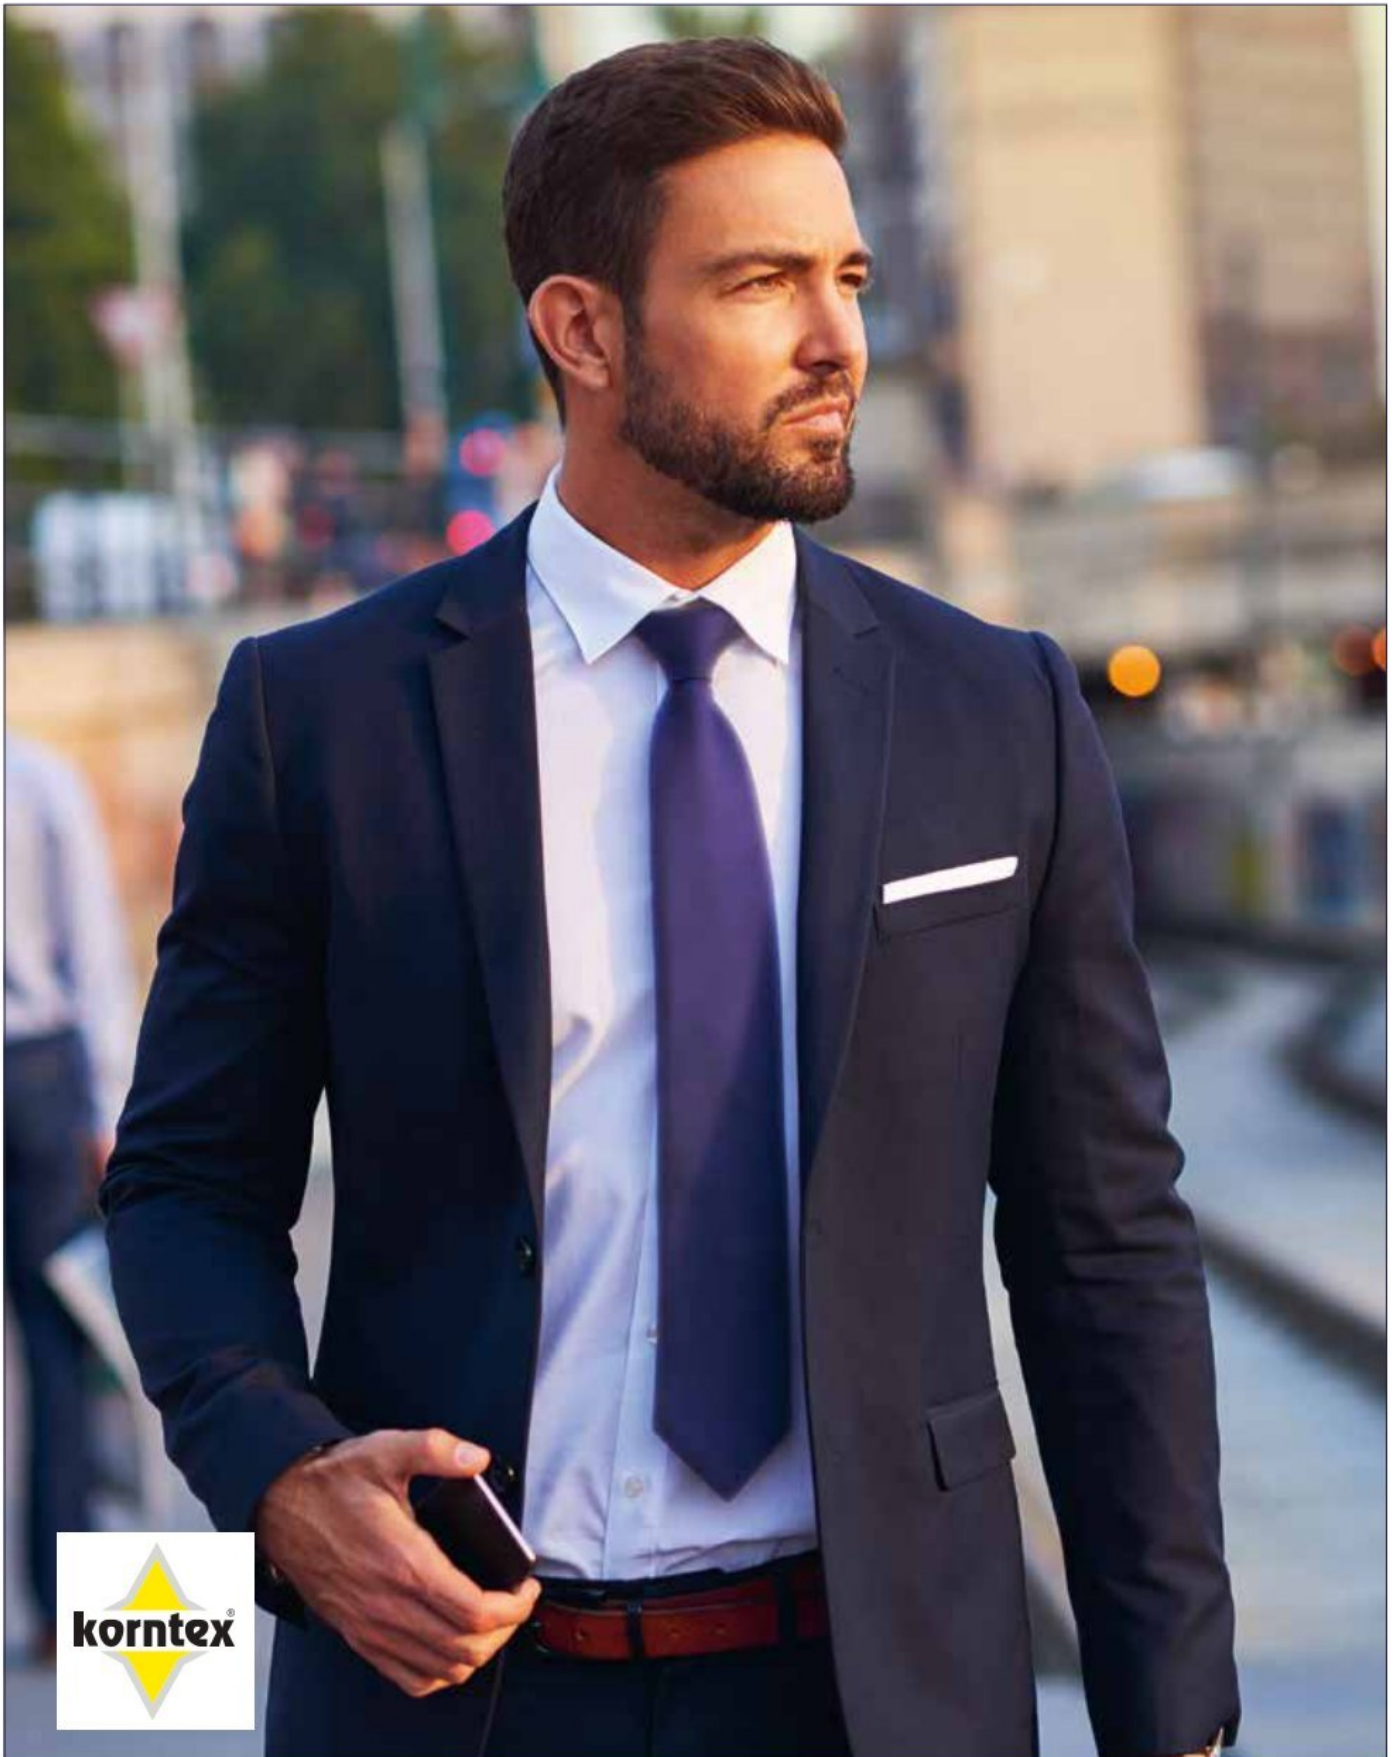

Hat visors are made of an inside plastic soul that we developed, partnering with **Recyctex**, upcycling discarded and disused fishnets.

The result is a visor made of **100% recycled PE ReTraze®** that can make the difference in our journey towards a more sustainable business.
